5. Graduates will be able to become a lifelong learner to absorb newer technologies and plays pivotal role in the society.

FROM CORRESPONDENT'S DESK

I take this opportunity to wish on the release of Half Yearly Official Publication from The Erode College of Pharmacy and Research Institute

I am glad to inform that our institution has created it's own forte and is branded as one of the premier educational centre in pharma field.

We at ECP conceptualize to train and bring out the best in the prospective pharmacist, keeping in view the focus and the direction as demanded by the trends in the pharmaceutical care sector by providing efficient infrastructure, laboratories, digital library for students and Staff professionally skilfully.

We have also intervened in doing bit towards the society and have engaged in various health campaigns for the welfare of the community through the enrolment of staff and students.

I am very happy to note that we have grown by leaps and bounds in the past few years.

We welcome students for an enlightening journey in our esteemed campus.

We assure parents in shaping, moulding their children to become a holistic personality

PRINCIPAL'S VOICE

I take this opportunity to extend a warm welcome to this citadel of learning.

Under the visionary and strategic guidance of our management we march in achieving a sustainable success. Our students, faculty and staff come together as a true community of scholars to advance knowledge overcome challenges to pursue their fulfilments.

To bring together the creativity and talents, the students and faculty are encouraged to participate in technical presentation, guest lectures, workshops, seminars and conferences at National and International levels.

We believe that 'Education' is a wholesome, holistic exercise and as such we strive to give a whole new meaning to the word.
